Top-quality, reusability & affordability have earned us loyal customers.

Vadalo's journey began in 2009 when its founders, Mr. **Rajesh Singh** and Mr. **Manoj Singh**, identified the sustainable potential of jute and cotton bags.

We started as a jute and cotton bag manufacturer and business-to-business supplier, then progressively introduced new products like recycled bags, personalized promotional bags, stylish fashion bags, beach bags, and tote bags — and finally entered the export market.

Today, **Vadalo Ventures Pvt. Ltd.** is an Export-oriented, Government recognized SSI unit to manufacture Shopping Jute/Cotton Bags & other Lifestyle Products. Incorporated in December 2024 by Directors **Mr. Rajesh Singh** and **Mr. Manoj Singh**, Vadalo is built on 15+ years of manufacturing expertise through our sister concern M/s Screen Print (Est. 2009).
